

ADVISORY COMMITTEE – SCHOOL HEALTH

FILE: BDFC

Purpose

To establish the School Health Council as an advisory committee on school health related issues

Definitions

N/A

Policy Statement

In response to Maryland State Department of Education Bylaw 13A.04.18 the Board of Education has established the Allegany County School Health Council for the purposes of assisting with the development and maintenance of an effective and comprehensive school health program.

The school health council may be comprised of representatives of the community, including parents/guardians of students enrolled in the public school program, health care providers, students, legislators, clergy, physicians, educators, and members of professional and civic organizations.
