

Purpose

To establish that educational support services are essential to a successful school system

Definitions

N/A

Policy Statement

The Board of Education recognizes that support services are essential to the educational function of the school system. The Board expects support services to maintain high standards of safety, to promote the health of pupils and staff, to reflect the aspirations of the community, and to support environmentally the efforts of the staff to provide good instruction.

The Board:

- a. Serves as the trustee of school facilities
- b. Manages school business operations
- c. Shall establish a thorough, effective, and economical maintenance program that includes school sites, plants and equipment
