Policy Statement

The superintendent shall have the responsibility:

1. To oversee the preparation for emergencies and disasters through comprehensive emergency planning in all schools and offices. Such preparation shall be coordinated through the Safety/Security and Risk Assessment Coordinator in cooperation with the Allegany County Office of Emergency Management prior to adoption and implementation.
2. To establish coordinate and manage an effective emergency communications system.
3. To comply with all emergency rules and regulations mandated by COMAR and any other applicable law.
4. To require each principal to provide adequate instruction and training for staff and students so that the emergency plans may be implemented effectively.
