Cash Valley Elementary School's Parent & Family Engagement Plan for 2023-2024

Dr. Lisa Stevenson, Principal
Mr. William Dwyer, Assistant Principal
Mrs. Erin Foutz, School Secretary

This plan...

This plan is jointly developed, and distributed, to parents of all our students. When needed, it is translated in a parent's home language.

Parents are asked for input during the Annual Title I Meetings, the Spring Meeting, and ongoing in the principal's marking period newsletter, *The Cash Valley Connection*. Parents are involved in the decisions regarding the spending of the parent funding. Your input is important to us!

This plan is also posted on the school's webpage. You can make comments and/or complaints or ask to serve on the Title I Parent Committee by contacting Dr. Stevenson or Mr. Dwyer by calling the school at 301-724-6632. Thank you!

Policy Involvement...

We hold an Annual Title I meeting at the beginning of the year during our Meet the Faculty and Families Event in order to inform parents of the school's role and requirements in implementing Title I and the right of parents to be involved. This information is shared by a Google Slide Show.

During the school year, we try to hold meetings at flexible times, such as mornings, afternoons, or evenings, during parent pick up, and other times to increase opportunities for parents to attend. We hold in-person and virtual sessions and conferences.

We invite parents of all students to be involved on school decision making teams to assist in creating school plans for improvement. You can become a member of the School Leadership Team or an action team.

The school strives to provide timely information in a format and language parents can understand about school programs by providing the following:

- * *Cash Valley Connection* (per marking period)
- * School Messenger Calls
- * Schoology and Class Dojo Posts
- * State Standards & Assessment Information
- * Parent Conferences
- * Progress Reports
- * Translated documents
