

Kindergarten Registration Procedures

New Students - Students who have never attended an Allegany County Public School (ACPS) must be registered by their custodial parent (biological, adoptive, legal guardian) Every child who is 5 years old on or before September 1st must be enrolled in a kindergarten program in the fall or have an approved maturity waiver.

Students who were enrolled in an ACPS Pre-k 4 Program - Families of students who attended a Pre-k 4 program in the ACPS in-district school will be provided with information from the school regarding necessary documentation to update their current registration.
