

18th Annual Focus on the Future 2025

The 18th Annual Focus on the Future Showcase initiative seeks to raise student awareness regarding the importance of academic achievement related to career preparedness and to promote economic growth in Allegany County by keeping Allegany County Public School graduates locally employed with the necessary expertise to enter the job market.

This year's showcase will once again feature auditorium-style presentations that revolve around each of Maryland's ten career clusters. Career clusters are groupings of interrelated occupations that represent a full range of career opportunities.

These clusters include:

- Business Management and Finance
- Health and Biosciences
- Information Technology
- Manufacturing, Engineering, and Technology
- Art, Media, and Communication
- Consumer Services, Hospitality, and Tourism
- Construction and Development
- Transportation Technologies
- Human Resource Services
- Environmental, Agricultural, and Natural Resource Systems

DATES:

November 4, 2025 – Braddock and Mount Savage
November 5, 2025 – Washington and Westmar

LOCATION:

Allegany County Fairgrounds
Multi-purpose Building

TIME:

9 a.m. – 11:30 a.m. each day

TARGET AUDIENCE:

8th Grade / Allegany County School Students
