

# ABOUT CAMP

Allegany County Public Schools will host a thematic, hands-on, camp-like experience during the months of June and July 2024. All middle school students and secondary students with disabilities (including incoming sixth graders) may participate in the first session of camp that will be offered from 06/10/2024 to 06/27/2024. Secondary students with disabilities (including incoming sixth graders) are invited to remain at camp through 06/27/2024. Extended School Year services will run concurrently.

Summer Program hours will be Monday through Thursday from 9:00 am – 1:30 pm. We will not be in session the first week of July 2024. Breakfast and lunch will be served and transportation will be provided. In some cases, regional bus stops may be offered.

Many engaging and hands-on activities (both indoors and outdoors) are planned for students to actively engage in learning and fun! Field trips are planned to support thematic units. In order to provide the most well-rounded experience for students, the summer program is staffed with general and special educators, instructional assistants, school counselors and mental health specialists, behavior specialists, administrators, supervisors, and a health nurse.

School Therapy Service staff and other related services personnel will be available to support all students and student activities.

Space will be limited and registration is required. Register online using the QR Code or link provided on this brochure no later than Monday, May 15, 2024.

# ADVENTURE AWAITS

# FUN NEVER ENDS

**TWO SESSIONS**  
**JUNE 10-27 & JULY 08-25**  
**ECKHART SCHOOL**

# ADVENTURE AWAITS...FUN NEVER ENDS ACPS SUMMER CAMP 2024

WEEK 1: JUNE 10 - 13

## CARNIVAL

Don't let the local fair be your only carnival experience this summer.

This week will offer hands-on, STEM motivated, activities to test your creativity and imagination.

In the end, students will showcase their own: "fair" activity for their friends.

WEEK 4: JULY 08 - 11

## SUPERHERO

Are you team Marvel or DC?

Ever wondered what it would be like to cast webs like Spiderman?

This fun filled week is all about the heroes in our comics and making their stories and abilities come to life.

WEEK 2: JUNE 19-22

## DINOSAURS

Travel back in time to learn about the most feared animals to walk the earth.

Become an archeologist and help us piece together these extinct creatures.

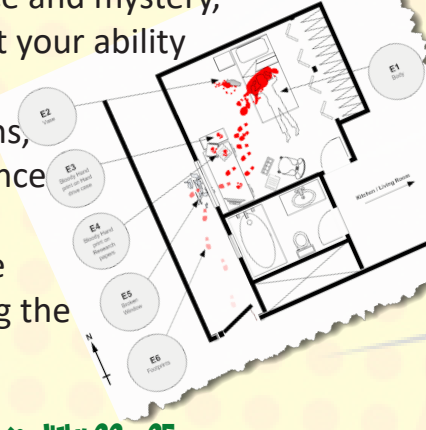

*NOTE: DINOSAUR IMAGE IS APPROXIMATE. THERE IS NO SCIENTIFIC EVIDENCE TO SUGGEST WHAT COLOR SUNGLASSES DINOSAURS ACTUALLY WORE.*

WEEK 3: JUNE 26 - 29

## C S I

Combining science and mystery, this week will test your ability to solve puzzles, make observations, and perform science experiments to become a real life detective catching the bad guy.

WEEK 6: JULY 22 - 25

## Olympics

From Ancient Greece to the Los Angeles Olympics coming in 2026, this week is all about the longest sports competition in history.

We will become olympians and put our mind and body to the test to be the champions of the summer.

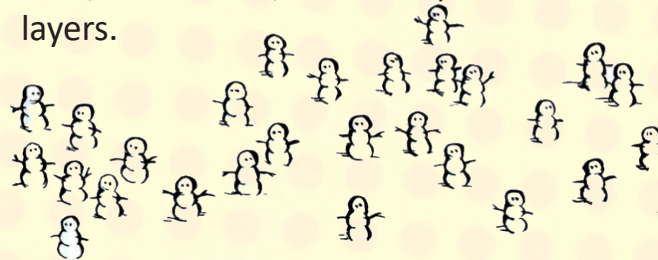

WEEK 5: JULY 15 - 18

## WINTER IN JULY

Love winter fun but hate the cold?

Join us for a week of "warm" winter fun creating the best parts of winter (snowman, snowflakes, and more) without all the layers.
