Why do students need school counseling?

- Children learn best when they feel good about themselves and their relationships with others.
- Children who understand their feelings are better able to control their behavior.
- Attitudes formed during elementary school shape future attitudes towards learning, self, and society.

Bel Air Eagles Soar Pledge

Today I will do my best to SOAR:

I will stay safe.

I will own my behavior.

I will actively learn.

I will respect all.

I will SOAR even when I don't know someone is watching.
