

Cash Valley School envisions the highest level of success for every student. We encourage all students to be respectful, responsible, and an expert learner. The support of administrators, teachers, students, parents, and community members is necessary to build a successful learning community. Through a team approach, we can ensure students reach their potential.

Vision Statement: The Cash Valley community will establish a family-school structure with the mindset that all children will reach their full potential, achieve success, and become productive citizens.

Mission Statement: The Cash Valley community is a cohesive family whose priority is effectively supporting the diverse health, safety, cultural, and learning needs of the whole child. This family-school structure allows students to experience a comprehensive education in a safe environment that will prepare them to contribute to a changing society.

SCHOOL AGREEMENT:

As an educator, I will do the following:

- 📖 Develop a learning environment that promotes a ready-to-learn attitude and growth mindset.
- 📖 Establish a supportive and effective learning environment that is welcoming and safe by communicating and modeling school and classroom procedures.
- 📖 Provide high-quality curriculum, interventions, and instruction that enables children to meet the MD College and Career Ready Standards and perform successfully on assessments.
- 📖 Conduct parent-teacher conferences (**10/2/23 & 3/4/24**) discussing the school-parent compact as it relates to student achievement.
- 📖 Ensure regular two-way communication regarding student progress (phone calls, assignment books, communicator folders, conferences, online methods, Schoology, etc.) in a language parents understand.
- 📖 Be accessible to parents to build child-centered relationships.
- 📖 Offer opportunities for parents to volunteer, participate, and observe classroom learning through family engagement activities.
- 📖 Contribute to improve the school as a member of the Cash Valley family.
