A Veterans Day program was held at Westernport Elementary School on Monday, November 11, 2019. Parents and community members, including veterans from the Tri-Towns area, were invited to attend. Students in grades Kindergarten, 1 & 2 presented a musical program called "Celebrating Our Veterans".

After the singing of the Star Spangled Banner by Ms. Chelsea Carr, third grade teacher, students marched into the gym to a series of patriotic songs, carrying flags. Some of the featured songs were "The Brave", performed by grade two; "My Country 'Tis of Thee", sung by grade one; and "Marching for Our Veterans", performed by the Kindergarten. The finale of the program included a song called "We are American, Every Day", which was sung by all of the students. Veterans from the Air Force, Army, Coast Guard, Marines and Navy were asked to stand to be recognized after a few bars of their service songs were played and then students shouted "hooray." Mrs. Alexa Fazenbaker, principal, presented veterans with certificates as their names were announced.

Local veterans who attended included Robert Beeman, Michael Bittinger, Wendell Bobo, Chad Butler, David Deal, Robert Edwards, Daniel Lewis, Dorothy Lewis, Timothy Llewellyn, Greg Marsh, Richard Rinnard, William Shimer, Glenn Shingler, Bill Spiker, Marcus Stuart, Robert Turner, Doug Wade, Harry Walker, Michael Whetstone and Mark Whetzel.

Mrs. Patricia Zimmerman, vocal music teacher, arranged and conducted the program. She was assisted in the dress rehearsal and performance by WES classroom teachers. Program narrators were fifth grade students, Reid Robison and Amberlea Sweitzer.

I hope that everyone had a wonderful Thanksgiving holiday!

I want to say thank you to Mrs. Patty Zimmerman and the kindergarten, first and second grade classes and teachers for the inspirational Veterans Day Program that was presented to students, parents and the local community. 20 veterans attended the program. We appreciate the sacrifices that our veterans and those currently serving in the armed forces have made and are making to protect this great country.

Thanks to all families who sent in canned food and non-perishable items for the food drive. Over 1,900 items of food were taken to our local Food Pantry, which is located at the Piedmont Presbyterian Church on 63 Ashfield Street in Piedmont, WV. Nutrition Education

University of Maryland Extension Educator Tammy Humberson, who visits our school on a regular basis to provide students with nutrition lessons, will be featured in our newsletter from time to time with nutrition tips for families.

Miss Tammy says, "Parents, it is easy to forget that children are watching us, even when we are eating. Remember to be a good food-tasting role model. Be willing to try new foods. Take at least two bites. Say "please" and "thank you" and be polite even if you decide you don't like it. Your children will model what you do."

Learning to eat a wide variety of foods ensures that both children and adults get all the nutrients they need. Miss Tammy recently shared a book with students called *Don't Yuck My Yum!* by Amy Pleimling, which teaches healthy eating concepts to kids and parents in a fun and healthy way.

Have you tried a new food recently?

secondSTEP

Students at WES are participating this year in Second Step, an evidence-based social-emotional learning curriculum, which improves the lives of over 10 million U.S. students every year. When students are better equipped to manage their own emotions and build positive relationships, they are better equipped to learn. The Second Step units include Skills for Learning, Empathy, Emotion Management and Problem Solving. The skills taught by classroom teachers are reinforced by Mrs. Barbara Amtower, guidance counselor, during her weekly lessons and by Mrs. Shelly Fitzgerald, the LAP Room instructional assistant, during behavioral interventions. Second Step is designed to help the students acquire social and academic skills which they need to be successful at school and in life.

The Westernport Elementary **SCHOOL IMPROVEMENT PLAN FOR 2019-2020** will be available for parents to view in early 2020, once it has been approved. The new plan will be available in the school office and then will be posted online @ <http://www.acpsmd.org/wt>

Please remember that Mrs. Fazenbaker's door is always open to parents. If you have any questions about the SIP plan or any other concerns, do not hesitate to contact her.
