Welcome to Westernport Elementary School as we begin a new school year. I look forward to working with your children, and the faculty and staff so we can make our school the best that it can be. 2019-2020 is going to be a great year! I would like to remind you of the procedures regarding morning student drop-off. The doors do not open until 8:10 AM, so please do not arrive earlier. All students that are being dropped off by parents need to be here by 8:30 AM to ensure enough time to eat breakfast before start of classes at 8:50 AM. Students will be considered tardy if they arrive after 8:45 AM. Please help your children get off to a good start by having them be here on time and ready to learn.

Teachers and staff at Westernport have been working diligently to make this school year a successful one for your children. Classroom teachers plan lessons each day to instruct children in each subject area. Lessons include remediation and enrichment activities to meet the needs of all learners. If you have any questions about what is happening in your child’s classroom, please call to set up an appointment with his/her teacher.

I do want to remind everyone about the PTA meeting which will be held on Tuesday, September 10th at 6:00 PM in the school library. Classroom visitation will follow. Please take an active role in your children’s education. If you have any questions or concerns, please do not hesitate to contact me by telephone (301-359-0511) or by e-mail (Alexa.Fazenbaker@acpsmd.org.) My door is always open to you.
Accelerated Reader News

Accelerated Reader testing at Westernport Elementary School will soon be starting. Our school has a subscription to Accelerated Reader Enterprise. This allows students to access (from school computers only!) more than 170,000 Accelerated Reader Quizzes. Included in the subscription are:

- Textbook Quizzes (to enhance our "Treasures" reading series)
- Reading Practice Quizzes (what we call "AR tests" at WES)
- Recorded Voice Quizzes, which allow beginning readers to take Reading Practice quizzes on their own with a professionally narrated audio recording at the click of a button.
- Vocabulary Practice Quizzes (which may be used by classroom teachers to assess understanding of key words)
- Literacy Skills Quizzes (which may be used by classroom teachers to measure students' proficiency with 24 higher-level reading and critical thinking skills)

There is also a parent component which allows you to view your child’s progress online. The Accelerated Reader program for 2019-2020 (our 29th year!) will be kicked off on September 3rd. This year, Accelerated Reader will be only used in grades four and five. You will be hearing more about it from your child’s classroom teachers. Mrs. Hendrickson will continue to administer the program. Stay tuned for more information.

Attention Volunteers and Visitors:
This is a reminder that the first time you visit our school, you must present your driver’s license to check in at the school office. After your driver’s license is in the office computer, you will not need to show it, but will still need to come to the school office to sign in to receive your volunteer or visitor sticker.

*Schoolwide Title I—What’s That?*

Westernport Elementary School is one of ten elementary schools in Allegany County which have been identified to receive Title I funds and operate a schoolwide Title I program.

The purpose of a schoolwide program is to upgrade the entire educational program in a Title I school. The following ten components must be addressed in planning for a schoolwide program:

- Comprehensive needs assessment of the entire school which focuses on the achievement of students on the state academic content and achievement standards
- Schoolwide reform strategies that are evidence based and are designed to address the needs of all students and especially the low achieving students
- Instruction by certified/licensed teachers
- High quality, ongoing professional development
- Strategies to attract certified/licensed teachers to high needs schools
- Strategies to increase parent/family engagement
- Plans to assist preschool children in their transition from early childhood programs to elementary school
- Decision making by teachers in the use of academic assessments to improve student achievement
- The use of additional, effective, and timely assistance for students who are not meeting the standards of proficiency
- Coordination and integration of federal, state, and local services and programs including violence prevention, nutrition, housing, Head Start, adult education, vocational and technical education, and job training

Each Title I school develops a schoolwide plan which includes all of the school wide Title I components and which may be reviewed on each school’s website. Title I plans are available in each school office for parent/community review and comment. Annually, principals review the Title I schoolwide program with parents.

OUR MISSION: Westernport Elementary will partner with family and community to build a better world—one child at a time.

OUR VISION: Westernport Elementary will strive to prepare and empower students to successfully meet the challenges of the twenty-first century, by nurturing the whole child: intellectually, physically and emotionally.

Attention Parents and Guardians:
The Town of Westernport has notified the school that they will NOT provide crossing guards in the area of St. Peter’s Church in the mornings or afternoons. Please be aware that if your child crosses at the Church Street crosswalk in the morning, your child will be crossing unattended. In the afternoon, a staff member will assist students who need to cross.
