Dear ACPS families,

At this time, a small percentage of Allegany County Public School families are not receiving messages, emails, and SMS/text messages through our PowerSchool School Messenger platform. This is a technical issue with the program, and we are actively working with PowerSchool to identify and implement a solution.

In the meantime, if you are not receiving communications through School Messenger, please complete the Google Form located on [our website](#). You may also stay informed about school delays, closings, and early dismissals by:

- Checking the homepage of our website at acpsmd.org
- Following us on social media (Facebook, Instagram, and X)
- Monitoring local news outlets and radio stations.

Thank you for your continued patience and understanding.

Dr. Michael J. Martirano
