John Humbird Elementary School's Parent & Family Engagement Plan for 2023-2024

Mrs. Heather Morgan, Principal
Mrs. Melissa Moran, Assistant Principal
Mrs. Lisa Lutton, School Secretary

This plan...

This plan is jointly developed, and distributed, to parents of all our students. When needed, it is translated in a parent's home language.

Parents are asked for input during the Annual Title I Meetings, the Spring Meeting, and ongoing in the principal's monthly newsletter, *The Bulldog Buzz*. Parents are involved in the decisions regarding the spending of the parent funding. Your input is important to us!

This plan is also posted on the school's webpage. You can make comments and/or complaints or ask to serve on the Title I Parent Committee by contacting Mrs. Morgan by calling the school at 301-724-8842. Thank you!

Policy Involvement...

We hold an annual Title I meeting at the beginning of the year during our Back to School Night in order to inform parents of the school's role and requirements in implementing Title I and the right of parents to be involved. This information is shared by a Google Slide Show.

During the school year, we try to hold meetings at flexible times, such as mornings, afternoons, or evenings, during parent pick up, and other times to increase opportunities for parents to attend. We hold in-person and virtual sessions and conferences.

We invite parents of all students to be involved on school decision making teams to assist in creating school plans for improvement. You can become a member of the School Improvement Team, the Positive Behavior Intervention and Support Team, or another team.

The school strives to provide timely information in a format and language parents can understand about school programs by providing the following:

- * Monthly *Bulldog Buzz* principal's newsletter
- * School Messenger Calls
- * Schoology Posts
- * State Standards Fliers
- * Parent Conferences
- * Letters regarding student progress and/or ASPEN

Parents & Teachers as Equal Partners...

We believe in working together to enable each student to reach his or her potential. Our School-Parent Compact outlines how parents/families, school staff, and students themselves share the responsibility for improved student academic achievement. It is reviewed and revised annually with parents.
