DATE: August 2, 2021

SUBJECT: **Fuel Oil Bids for 2021 – 2022**

The Board of Education of Allegheny County will receive bids until 3:00 p.m., Monday, August 23, 2021, for the furnishing of fuel oil for the schools listed below. The bids will be summarized and will be presented to the Board of Education of Allegheny County for approval at their regular meeting. Successful vendors will be notified after Board approval is given, at which point, they should sign the *Agreement for Furnishing Fuel Oil* and return it to the Supervisor of Operations.

Bids will be received on an individual school basis and bidders may bid on furnishing fuel oil to one or more schools according to their ability to supply the demand. However, we have traditionally awarded the contract to one supplier for all of our buildings. Bids should be sealed and addressed as follows:

If this is the case, the tanks will most likely be tested in the Spring or Summer after the heating season. If the price per gallon for any oil delivered to top off the tanks is different than the regular delivery price, the Vendor should indicate the price differential in the original bid proposal.
