Dear Parent / Guardian,

Per The Allegany County Public Schools Recovery Plan, we are making plans for students to re-enter school for in-person / hybrid learning. As we prepare to phase in each grade level, it is important that we have accurate counts of students who will be in each classroom.

As a parent, you have the right to request that your child remain in a virtual setting. If you choose this option, you will need to complete the Opt Out In-Person / Hybrid Structure Form and submit it to your child's school. As other students enter school for in-person learning, your child will then participate in the "Virtual School" facilitated by an ACPS certified teacher. Your commitment to virtual learning can only be changed at the end of the marking period, with a start date activation for the next marking period.

To help you understand the times in which your child could be participating in person, following is the schedule for learning structures by grade level. Please keep in mind that structures may change based on health metrics and guidance provided by the Allegany County Health Department.
