Building the Future—One Child at a Time

Thank You, Reeves Private Foundation

Westernport Elementary School was recently awarded a \$2,000 grant from the J. Norman and Margaret J. Reeves Private Foundation, which is administered by First United Trust & Investments. This is the fourth year that the Reeves Foundation has awarded a grant to the school. The majority of the grant money (almost \$1,600.00) was used to allow each WES student to choose a "free" book from the November book fair. The remainder of the grant will be used to provide student reading incentives and prizes to support the Accelerated Reader program during the 2016-2017 school year.

The mission of the Reeves Private Foundation is to benefit non-profit

organizations in the vicinity of Westernport, Maryland; Keyser, West Virginia; Luke, Maryland and Piedmont, West Virginia. A committee of local representatives from those areas evaluates each grant request based on its merits and how the grant meets the desires of the foundation.

We are grateful to the Reeves Private Foundation for their support of the Accelerated Reader program at Westernport Elementary School. The online subscription provides unlimited access to over 170,000 Accelerated Reader quizzes and to the AR Bookfinder. Westernport Elementary has participated in the Accelerated Reader program since November 1991. Currently, students in grades two, three, four, and five participate in this reading incentive program.

We are also extremely grateful for the support for the One Student/One Book program. Mrs. Deborah Hendrickson, media specialist, applied for the grant in August and received the check just in time for the book fair. Shown above are Corbin Ravenscroft, Emma Wolford and Bryson Saville, holding some of the books selected by Mrs. Mallory Sechler's fifth grade class.

Happy New Year!

I would like to thank Mrs. Patty Zimmerman, Mr. Harold McClay and Mr. Jay Moon for the fantastic music, band, and orchestra programs that were presented in December. I really appreciate all of the work from our talented students and their dedicated teachers that goes into those programs. I also want to thank the parents, grandparents and the school community for support-

ing our students in their musical endeavors.

Students, parents and grandparents enjoyed Books Before Bedtime on Wednesday, December 7th. Special thanks to Mrs. Lisa Harris, "Miss Kim" Aikman, and Mr. Eric Follett for coming back to school at night for the event.

Thank you to our P.T.A. for having a Santa's Secret Shop in early December. The children loved to shop for their loved ones and I am sure that

the parents loved the presents that their children picked especially for them.

Thanks also to P.T.A. for getting in touch with Santa to schedule time for pictures here at WES. The children were very excited to tell Santa what they wanted for Christmas!

It is hard to believe that we are almost through half of the school year. Please check the calendar in this newsletter to plan ahead for a scheduled

early dismissal (Teacher Work Time) on January 18th and scheduled whole day for Professional Development on January 25th.

Please remember that my door is always open and if you have any questions or concerns, please contact me. It is a privilege to work with your children every day and to be a part of this wonderful school.

Martin's BonusCards

597 Martin's BonusCard numbers have been collected to date by Westernport Elementary students, faculty and staff. The points from those BonusCard numbers have earned the school cash to use for student activities, which totals \$1,027.46 to date.

Martin's has pledged to give away three million dollars to schools. So we still need YOUR BonusCard numbers! There is still time to register to support the school at <http://www.martinsaplus.com>.

Thanks to all who have supported this campaign by registering and then shopping for WES!

If a student whose name is drawn is present at school each day for the previous week, he/she wins a silver or "gold" dollar. If a student is absent, tardy or leaves early on any day during the previous week, his/her name is not announced, but is put back in the bucket and a new name is drawn. A NOTE from Mrs. Fazenbaker about ATTENDANCE at WES

I am always concerned about the number of tardies and early dismissals at WES. Your children are missing valuable instruction that cannot be made up. Our teachers are preparing your children for the PARCC Assessments, which will be given in mid April this year. I want our students to do their best, but if they continue to miss instruction, that may not happen. I realize that tardies and early dismissals cannot always be avoided, but please try to schedule appointments late in the day so that no school has to be missed. I appreciate your attention to this matter.

Safety First

A NOTE from Mrs. Fazenbaker about SAFETY at WES

Parents, when you are in the lobby, please do not open the door to others who are coming into the school. Every person coming into the school needs to "buzz" the office for admittance. If you are at the door and have been "buzzed" in, please do not hold the door open for others who are behind you. They also need to push the button when they get to the door, and then they will be let into the lobby. Thank you for your cooperation with this important safety issue.

The third grade classes of Mrs. Sarah Llewellyn and Ms. Tiffany Moran will lead a new plastic "film" recycling program here at Westernport Elementary. This recycling project will begin in the new year. Books Before Bedtime (for PreK-2)

Books Before Bedtime was held on Wednesday, December 7, 2016 for students in grades PreK through two. A total of 15 students wore their favorite pajamas and brought along their favorite blankets, pillows, and stuffed animals to be ready for a night of bedtime stories, snacks, and prizes. Many adult family members also participated in the evening's activities.

Adult winners of the door prizes, which were Wal-Mart gift cards, were Faye Baker and Vickie Fearon. Each of the students received a nonfiction book to take home to keep. WES teachers Kim Aikman, Eric Follett, and Lisa Harris directed the reading activities. A good time was had by one and all. (Please visit the school Dojo to see more pictures of those who attended.)

Resolutions for a Happy New Year

No one will ever get out of this world alive.
Resolve therefore to maintain a reasonable sense of values.
Take care of yourself. Good health is everyone's major source of wealth. Without it, happiness is almost impossible.
Resolve to be cheerful & helpful. People will repay you in kind.
Avoid angry, abrasive persons. They are generally vengeful.
Avoid zealots. They are generally humorless.
Resolve to listen more & to talk less.

No one ever learns anything by talking.
Be chary of giving advice. Wise men don't need it, & fools won't heed it.
Resolve to be tender with the young, compassionate with the aged, sympathetic with the striving, & tolerant of the weak & the wrong. Sometime in life you will have been all of these.
Do not equate money with success. There are many successful money-makers who are miserable failures as human beings. What counts most about success is how a person achieves it.

---Lloyd Shearer (1985)

WES Faculty and Staff wishes all of you a VERY Happy New Year!

PreK-2 Christmas Program

Primary grade students entertained family and friends during the annual Christmas program, which was held at WES on Tuesday, December 20, 2016. The first selection included rhythm sticks, which had PreK students moving to the tune of "Music, Music, Music." Then the Kindergarten and first grade classes sang a number of seasonal songs, including "I Want to Be an Elf." and

the favorite, "Must Be Santa." Student narrators shared Christmas jokes with the audience. Finally, grade two students took turns reciting lines from the well-known 1822 Clement Clarke Moore poem, "A Visit From St. Nicholas" and sang songs that helped to tell the story.

Happy Christmas to All, and to all a Good-Night!

Citizens of the Month

Students selected as "**Citizens of the Month**" exemplify the character trait for the month, as determined by the Allegany County Public Schools. The character trait for **November** was Citizenship. Those students selected for November took a trip to McDonald's for a treat.
