

ALLEGANY COUNTY PUBLIC SCHOOLS  
***Agreement Governing Participation in Athletics***

FILE: JJIC-E1

Student Name \_\_\_\_\_ Date \_\_\_\_\_

**Purpose:**

Participation in athletics in Allegany County Public Schools is a privilege. The participant comprises much of the visible student leadership in our schools; therefore, the participant must accept the responsibility of projecting a positive image to younger students and the greater community as a representative of his/her school.

**I. Rules of Conduct:**

**Violations of the following rules of proscribed conduct will result in disciplinary action:**

- A. Misconduct on school property or at a school sponsored function which also results in the athlete being charged with a Reportable Offense(s) in accordance with Annotated Code § 7-303 and COMAR 13A.08.01.17.
- B. Possession, use or showing evidence of use, sale, or distribution of proscribed substances as defined in JICH (unless documentation on file that a student may self carry)
- C. Insubordination or use of profanity to any faculty member, school administrator, coach, advisor, or game official
- D. Flagrant misconduct and misbehavior in school
- E. Misbehavior or misconduct in the community
- F. Absences from school, or tardiness to school, announced meetings, activities, practices, etc. in accordance with school and/or team rules

**II. Consequences**

An athlete who has been suspended or expelled from school shall be prohibited from participating in athletics during the period of suspension or expulsion. Such athlete shall also be prohibited from participating in athletics for remainder of the season in which the infraction occurred if such infraction constitutes a violation of A or B. If mitigating circumstances exist for A or B, the administrator may impose disciplinary action ranging from a suspension for 20% of the seasonal remaining games to dismissal from the team. The student will be required to practice when a lesser penalty is applied. If the athlete violates provision B above the athlete must present a negative drug screening to the principal prior to returning to the team.

Violations of rules of conduct C through F will result in disciplinary actions ranging from a conference to a suspension and/or dismissal from the team for the remainder of the season. The principal, in collaboration with the coach/advisor, shall make the decision on the disciplinary action based upon the best interests of the school, the school system, the perception of the school in the community, and the desire to promote high standards of discipline in the athletic program.

**III. Minimum Academic Standards**

- A. Eligibility for a marking period shall be determined by the student's grades for the most recently completed marking period. Academic eligibility is determined by adding the number of quality points earned in the marking period immediately prior to the given sports season and dividing by the number of courses attempted by the student.
- B. Students must achieve a minimum grade point average of 2.0.
- C. All new 9th grade students are eligible to participate in the first quarter of 9th grade.

**IV. Appeal Procedure**

Appeals for reinstatement in athletics may be made to the building principal with a further appeal to the Superintendent of Schools or designee. Students shall remain ineligible from participation in athletics through the conclusion of the due process.

**V. Health and Safety**

- A. Documentation of a physical must be on file as a condition of participation. A form can be obtained at [www.acpsmd.org](http://www.acpsmd.org) (See Exhibit JJIC-E-1-3).
- B. Any athlete exhibits signs, symptoms or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall:
  1. Immediately be removed from the contest and shall not return to play until cleared by an appropriate health-care professional.
  2. Seek medical attention from a health care provider experienced in evaluating possible concussions;
  3. Submit a return to play form to coach and school.
- C. Any athlete who exhibits signs of skin infections (signs of infection include redness, warmth, swelling, pain and/or drainage) shall:
  1. Immediately be removed from practice or contest and shall not return to play until cleared by an appropriate health-care professional.
  2. Seek medical attention from a health-care provider experienced in evaluating the infection.
  3. Submit a return to play form to coach and school.

**VI. Ejection/Disqualification**

An athlete who is ejected/disqualified from a contest by a game official for unacceptable behavior, before, during or after a contest is suspended from participation in the next contest. An ejected/disqualified player may remain on the sideline for the duration of that contest or be sent to a secure and safe area under the supervision of a coach or staff member. For the game in which the athlete must serve a subsequent suspension (i.e. the "next contest"), the player shall be permitted to be present on the sideline but may not dress in game uniform. Suspended players may practice with the team while serving their suspension. Coaches will notify the Athletic Director and the Supervisor of Athletics in writing of the suspension and date of exclusion within 24 hours.

## Authorization for Participation in Interscholastic Athletics

As parents or guardians of \_\_\_\_\_ (Student's Name)

We hereby authorize and consent to our child's participation in interscholastic athletics and sports. WE understand that the sport in which our child will be participating is potentially dangerous and that physical injuries may occur to our child requiring emergency medical care and treatment. We assume the risk of injury to our child that may occur in an athletic activity.

In consideration of the acceptance of our child by the Allegheny County Public Schools in its athletic program and the benefits derived by our child from participation, we agree to release and hold harmless the Board of Education of Allegheny County, its members, the Superintendent of Schools, the principal, all coaches, and any and all other of their agents, servants, and/or employees and agree to indemnify each of them from any claims, costs, suits, actions, judgments, and expenses arising from our child's participation in interscholastic athletics and sports and any injuries received therefrom and expenses related thereto.

We hereby give our consent and authorize the Board of Education of Allegheny County and its agents, servants, and/or employees to consent on our behalf and on behalf of our child, to emergency medical care and treatment in the event we are unable to be notified by reasonable attempts of the need for such emergency medical care and treatment.

We understand and agree that we will be responsible for all medical bills and costs that may be incurred as a result of medical care and

treatment of our child, and we agree to provide proof of insurance coverage of our child against accidents and injuries in school sponsored games, practice sessions and during travel to and from athletic contests.

Students who have elected to participate in the athletic program will be required to practice and participate in scheduled contests after regular school hours and possibly on non-school days. Supervision at practice, games and travel will be provided by the school.

In addition, it is recognized that all students must comply with eligibility regulations that govern athletics in Allegheny County Public Schools as issued by the Board of Education of Allegheny County and the Maryland State Department of Education.

**Sports Insurance: ACPS may obtain supplemental insurance to cover injuries that occur which are not covered by the regular Student Accident Insurance policy. This insurance may provide additional coverage for an injured athlete. Claims for reimbursement under this insurance should be filed by the parent through the school office. The Board's insurance office should be advised of all claims filed on this policy. This should be done by completing a school accident form as well as completing the insurance claim forms. This insurance may not guarantee 100% coverage of claims.**

Name of School/Community

**I also declare and affirm that my child is a resident of Allegheny County, Maryland, and:**

- ☐ Resides (with parents or legal guardians) within the above attendance area, or  
☐ Is attending the above school with special permission of the Office of Student Services of Allegheny County Public Schools

If a student is attending a high school without the benefit of residing (with parent or guardian) both within Allegheny County, Maryland, within the school's attendance area and/or without special permission of the Office of Student Services, the student in question is subject to disciplinary action which could result in the loss of athletic eligibility for a period of time, ineligibility in a specific sport or sports for the forthcoming year or penalties as may be justified in the particular case. A student being taught by parental request at home (home school) is not enrolled in Allegheny County Public Schools and cannot participate in athletics. The athlete's team and school will be penalized for failure to comply with Maryland Public Secondary Schools Athletic Association (MPSSAA) regulations. Any parent who knowingly submits this form based on false information will be subject to prosecution under existing law and all applicable ACPS policies.

I/We understand and agree to all of the above.
