The kidSAFE[®] Seal Program is creating the largest global directory of children-friendly websites, mobile apps, and other technologies that have been independently reviewed, certified, and/or listed to meet minimum standards of online safety and/or privacy. This directory has become a valuable resource for parents, educators, and caregivers around the world looking to find safe online, mobile, and digital activities for their children and students. Please check back here regularly for the most up-to-date list.
